

Dear Ladies:

It is with regret that we announce the cancellation of the 2018 Women's Ministry Conference that was scheduled for April 13-14, 2018 at the All Seasons Worship Center.

The Women's Ministries Conference is an annual event that we look forward to each year with much excitement. It is a special time for the ladies of our churches, our pastors' wives and female ministers to come together with our special guests for a time of worship and fellowship. That is why this decision was not made hastily or without much thought, instead it was with careful consideration and much prayer that the Mississippi Church of God State Leadership Team made this decision.

Any registration fees that have been paid will be refunded to you promptly. Thank you for your tremendous support and your prayers. I look forward to seeing you again at the next scheduled state event. If you have any questions regarding this cancellation notice, please email asreed@mscog.org.

Blessings,

Teri Moody
Women's Ministries Director
